How to Prepare for the UPSC IAS GS Paper 1 Syllabus?

The IAS GS Paper I Syllabus covers Indian Heritage and Culture, World History and Geography, and Society in general, and their topic-wise preparation tips have been mentioned below:

• Indian Arts and Culture

- Aside from these crucial themes, Musical Instruments, Religion, and Indian Philosophy should all be studied.
- It's easy to become perplexed when it comes to art and culture. So, when you're trying to remember the definitions of each term, keep this in mind.
- Begin your study with the NCERT books.
- You should look for art and culture-related topics and take notes on each one.
- Along with the NCERT books mentioned above, you should start reading the book on art and culture, as it has all of the knowledge about art and culture in one spot.

• Indian History and World History

- History questions are some of the most straightforward and straightforward questions asked in the Mains Exam.
- With a comprehensive reading of Spectrum's book, about 70% of the questions given in Prelims from post-1857 history can be tried. As a result, you can prepare for the IAS Prelims by studying this module.
- History will always be the subject in GS I that demands you to devote more time than others.
- Candidates should practise previous year question papers after completing each section.
- Revision is seen as an important aspect of historical preparation.
- Short notes should be prepared and the most significant points should be jotted down. This will come in handy during your last-minute revision.
- IAS Mains is a type that is used to describe something. As a result, when composing answers, it is important to include exact dates for events and battles.
- Keep up with current events to learn about new research and breakthroughs.

• Economy and Social Development

- NCERT books are a good place to start your preparation. These books will help you understand the fundamental concepts, even if they appear to be quite elementary.
- TMH's Indian Economy by Ramesh Singh or Sanjeev Verma's book are good books to read for individuals who have studied some degree of economics.
- The economics component of the UPSC Prelims is also very essential. As a result, you can time your preparation for this section to coincide with the UPSC IAS prelims.
- Aside from literature, study economic surveys and newspapers that focus on economic growth and decline.
- This section will have a lot of conceptual questions, so you'll need to know a lot of stuff.
- Economics is a science that requires precision. Make sure you're using the right technical terms. Don't say income when you mean revenue, for example.
- Make use of the graph.
- It will be highly advantageous to acquire more scores in IAS Mains if you include recent updates and economic terms in your responses.

• Geography and Environment

- Candidates can always start their preparation using NCERT books, but with the help of other books, they can compile their own notes.

- Make an effort to recall and practise the definitions and terms used in this section. Both the IAS Mains and Prelims will be lucrative for them.
- Keep up with current events and the newest news about cyclones and the countries affected, as well as the disasters they produce.
- While writing replies, use graphical maps and draw them if necessary.
- Also, practise maps in both India and the rest of the world to gain a better understanding of the geographical situation.
- Although geography is a non-technical subject, it is founded on facts.

Current Affairs

- Begin studying at least 7 to 6 months before the exam.
- Do not trust every source you come across. Keep your sources to a minimum. It is impossible to cover all of the sources accessible on the market.
- Look for sources that provide as much expertise and information about India as possible.
- Set aside a specific amount of time to prepare. Depending on your intellectual capacity and educational background, 30 to 45 minutes every day is sufficient.
- Make a list of crucial details. This will aid you in your revisions leading up to the exam.
- Online reading is also an excellent source of information, and making notes from online sources is simple.
- Focus on facts and issues, as well as new legislation revisions, disasters, or other events that are related to facts, rather than political news or minor local issues caused by political parties.
- Last but not least, find a source that is comfortable for you; don't focus on the language but rather on the facts.
